Experience freedom with the new Golden Ally™, our new power chair designed to provide the strength and solid feel of a traditional chair yet remaining light weight and portable enough to be the perfect travel partner. Enjoy the maneuverability indoors with its tight turning radius or take on an outdoor adventure and appreciate its great ride quality and capability, compliments of its large, pneumatic rear drive wheels. Its comfortable seating and foot positions will be a welcome change from the compromises of the typical travel chair. With a long-lasting battery, user-friendly interface, and Smart Control Mobile App, navigate any environment with ease and confidence. Move effortlessly with the Ally – your perfect travel partner!

Standard Features:

- Simple Folding Mechanism
- Smart Control Mobile App
- Tight Turning Radius
- Memory Foam Seat Cushion
- Ergonomically Designed Seating & Foot Positions
- Airline Friendly Lithium-Ion Battery
- System Monitoring Voice Alerts
- A&C USB Ports
- Front & Rear Lighting
